Abstract

This paper describes the guideline for artifact submission on the ePortfolio as final semester exam. As part of obligation in the class, all students need to submit their final report with designated templates, the presentation about the proposed final project and a poster that is uploaded to designated ePortfolios systems (Kautsar, 2016) (Kautsar, 2019).

Petunjuk Penggunaan

Dokumen ini berisi template untuk menjawab soal Ujian Tengah Semester dan mengirimkan luaran tugas mata kuliah pada sebuah Supportive Tools (Kautsar, 2016) (Kautsar, 2019). Hapus semua tulisan dengan font yang berwarna merah.

Petunjuk UAS

Setiap penugasan Praktikum, wajib memberikan:

1. Alamat Repo kode di Github, GitLab, Bitbucket dan lain sebagainya
2. Membuat video presentasinya (1 Soal Praktikum, 1 video) dan memberikan alamat URLnya. dengan ketentuan berikut:

Set video type to unlisted.
